

Consent to personal data processing

By putting a mark on the website under this text, I freely, specific, informed, unambiguous and in my own interest, express my consent to SberMedAI LLC (121205, Moscow, the premises of the Skolkovo Innovation Center, Bolshoy Boulevard, 30, building 1, floor/office/workplace 2/225/225-5) (hereinafter, the "Controller") for the processing involving collection, recording, systematization, accumulation, storage, rectification (update, change), check, extraction, use, transfer (provision, access), in whole or in part, to third parties acting on the basis of contracts or other agreements concluded with the Controller, depersonalization, blocking, deletion, and destruction of my personal data specified in the feedback form on the website:

name, phone number, email address, and other personal information received from me.

The personal data shall be processed by the Controller and third parties both with the use of automation means, including in information and telecommunication networks, and without the use of such means.

This consent is given in order to improve the website, improve the Controller's products and services, identify user preferences, and provide targeted information on the Controller's products and services.

In accordance with this consent the Controller shall have the right to provide my personal data to third parties solely for the purpose of providing technical support services, as well as (in anonymized form) for statistical, marketing purposes, to analyze and improve the website and services provided by the Controller. Such third parties shall have the right to process personal data on the basis of this consent. The right to choose such persons shall remain with the Controller, the list of which may be obtained at any time by sending a relevant written application to the Controller.

The Controller or third parties on behalf of the Controller may send advertising and information messages via any communication channels, including telephone and mobile communications, SMS notifications, postal letter, telegram, voice message, e-mail message.

The consent to the processing of personal data shall come into force from the date of its provision and shall be valid until proper withdrawal of consent, unless another period is established by the legislation of the Russian Federation.

The consent may be withdrawn at any time by sending a relevant written application to the Controller. In case of withdrawal of this consent, the Controller and third parties shall have the right to continue processing of the personal data in cases and in the manner prescribed by the laws of the Russian Federation.

In case of any changes in the personal data specified in this consent, I undertake to inform the Controller of such changes within seven (7) days.
